Welcome to Year 3

What happens in Year 3?

Curriculum

For our last term, our topic will continue to be 'Ancient Greeks'; this is a History based topic. We will be learning about the key events during the ancient Greek era, who they were and what their achievements were. Following this, we will be completing a Geography topic focused on Modern Day Greece.

In Science, we will continue to learn about Plants.

This term, on **Thursdays,** we will be completing our RSE unit in PSHE (Jigsaw) sessions. We will provide opportunities to answer any questions the children may have about what we cover.

Our PE days will be

Rowling

Tuesday (outdoor)

Thursday (indoor/ outdoor)

Morpurgo

Monday (outdoor)

Tuesday (indoor/ outdoor)

Please can children bring a lightweight coat on PE days and remove their earrings before school if they are unable to remove them on their own.

Everyday ,children will need to bring a lightweight coat, a named water bottle. and their reading book.

Reading

Children will read with an adult everyday during class reader or phonics sessions. Their home/school books will be changed whenever the children ask but no earlier than once a week. This allows the children to re-read books at home and develop fluency to become confident readers. They should be encouraged to read a wide range of texts at home. We recommend 10 minutes a night.

Once a week, children will spend time in the library and can choose a library book.

Library Day

Rowling - Wednesday

Morpurgo - Friday

Spellings & Homework

Every Monday, your child will bring home new spellings to learn. You can also login to Spelling Shed for some fun practice games. Spellings will be tested on the Friday.

If possible, it would be fantastic if the children could go on Times Tables Rockstars weekly, or Numbots if they still would benefit practicing their mental arithmetic..
