

Dear Parents/Carers

Welcome to your Autumn/Winter menu, this menu will run all the way through to February. You can order as much or as little as you wish.

We have designed this menu by asking parents on our Facebook page what they would like to have on the menu, most of this menu has been designed by you and your children's favourites! Our butcher – Milstan Butchers- will be creating our burgers and sausages for us along with all our other meat as he has done for the last 3 years.

We have two nursery's joining us this year which is working well in one and just about to start in another so a big welcome to those parents.

This term we have gone online with quite a few of our schools, we have been trialling it for a whole term in a school and it has worked incredibly well so we decided to go ahead and bring a few more schools on board. So, if your school has been selected you will receive all your log in details from your school.

If anyone requires a word format order form please email your schools kitchen and they will send you one, this way you can save the blank copy, fill it in and email it back to us giving you a copy of the order also.

For all other schools the ordering remains the same as before

Here are our bank details for transferring payment:

Sort code: 09-01-28, Account number: 63832500

please use your child's school and name as reference please. (please ensure a payment is made when booking your meal, all transfers are checked against the order, if no payment is available your order will not be processed. Please note we do not offer a credit service and all debt will be recovered before your child can continue having meals)

If you wish to order, amend an order or have a query please email your kitchens as your kitchens hold all the ordering information.

Please remember when emailing our kitchens that they only work school hours and will reply to you as soon as they can.
