Summer Term 6—Year 6

Welcome to another term in Year 6! We have got so much to look forward to this term! We have a wonderful team to help and support the children on their learning journey.

This term we have many exciting learning opportunities for the children to take part in and flourish.

We just would like to take a moment to say a massive well dome to all the children that took part in SATs. They worked really hard and should feel very proud of themselves.

Although SATs are over the children are sill working hard on their writing, which is assessed at the end of the academic year.

Symphony Learning TRUST

Loatlands Primary School

Reading

In year 6, we will encourage the children to always have a book on the go. They will begin to find the genres that really interest them and will be able to make recommendations to other children.

We will be focusing on reading comprehension skills this term and exploring a wide range of fiction and non-fiction texts.

Curriculum

This term we shall be exploring a new topic based on the '1960s and will learn about how the decade ha shaped our lives today.

In science, we shall be learning about 'Electricity. We will be looking at how circuits work, what elements are needed to create different types of circuits for different needs.

Spellings & Homework

Every Friday, your child will bring home new spellings to learn.

Homework shall be the children learning their lines for our play and the songs. These can be found on music streaming apps.

Please also ensure that your child reads daily and goes on TTRS at least twice a week.

PE shall be on Monday. Horowitz has Forest school on Wednesday and Tolkien have Forest school on Tuesday.

to participate.
