Well Done to Lola

Lola in Year 5 wanted to raise money for the NHS over the Easter break, she decided to set up a stall outside of her house and sell her sweets and chocolates.

Lola designed and made posters to put up outside, grouped her sweets and chocolate together and made price tags. Lola made everything Covid safe and had hand sanitiser available. She sat outside for 4 hours (with the help of her sister Faith at times) in the freezing cold and blustery wind and she managed to make £150!!!

Not only that, Lola and her mum were able to go over to Kettering General Hospital and deliver the money raised. Lola had her photo taken and was interviewed, this was posted on their Facebook page on Easter Sunday.

Wow Well Done Lola!

Pick and Mix' Homework Term 5

As we move back towards a full curriculum in school, children in Years 1-6 have been set new 'Pick and Mix' homework assignments for the term. We are keen to keep some of the positive elements of remote learning so each year group has posted the homework sheet on Teams for your child to access. Where possible, we encourage you to return homework assignments via Teams rather than physically sending homework back into school - especially if they have made large models or created pieces of artwork. Homework is due in by Monday 24th May and will be celebrated in school in the usual way. Please let your child's teacher know if you need support with accessing or completing homework. Thank you.
