Bikes and Scooters

Please can we ask parents to remind their children that bikes and scooters are not to be ridden on the school grounds, they should be dismounted at the entrance gates and walked to the bike/scooter store. Please can parents not stand directly in front of the bike/scooter store at the beginning and end of each day – this will make it easier for children to park their bikes and scooters and retrieve them at the end of the day. Thank you

Terry Arnold Memorial Trust

Terry Arnold Memorial Trust are holding an event on the 13th October in Northampton. The keynote speaker is an autistic adult called Matthew Hardie. Terry Arnold was Northamptonshire's leading educational psychologist for autism in the late 1980s through to the year 2000. His wife, Eileen Arnold and her son pre covid, used to hold an event every year. There have been some wonderful presenters in the past to include Ros Blackburn, Wendy Lawson, Gary Mesibov, Luke Beardon, Claire Sainsbury, Dean Beadle and Carol Gray (stacks of famous names in the world of autism).

ABOUT US | My Site (terryarnoldlectures.co.uk)

About this event

Join us on Thursday, 13th October 2022 for this year's memorial lecture.

This event is an opportunity for people living with autism, professionals and those interested in better understanding the condition, to come together.

This year we welcome Matthew Hardie as our keynote speaker, with "Defying the odds with Autism".

After being diagnosed with Asperger's Syndrome at the age of four, Matthew was predicted to have little chance of succeeding academically. Having overcome a lot of obstacle in his life, Matthew would like to share his story on how he lived with Autism.

Parking

Please could we remind parents that they should not:

- park within 10 metres of a junction
- be double parked
- park on the double yellow lines or on the school zig zags

Please be reminded that if there is a fire or accident near to the schools access is required for all emergency vehicles to get to the scene as quick and as safe as possible. If you are parking in a way that we cannot get through you are putting peoples life's at risk and action will be taken against you in the way of tickets being issued and or vehicles being removed for obstruction.

We have again received complaints regarding parking in and around Neuville way and ask parents be mindful to pedestrians and neighbours when parking

Dogs

A reminder that dogs (non assistance) are not allowed on the school site even if they are being carried. Thank you

Well Done Mrs Johnson

Mrs Johnson completed the Rutland Marathon in just over 4 hours on Sunday. She was the 9th women over the finishing line and she was the first woman in her age group, which is an amazing achievement. In doing this she also got a personal best for her 10k and her half marathon.

She truly is a Loatlands Legend.

Stranger Danger

Please be aware if any of your children walk in the vicinity of the Walcot Road area of Market Harborough.

A student from Welland Park has been approached by a man who tried to make conversation with her. When she ignored him he started shouting at her.

Fortunately she had the presence of mind to pretend to see someone she knew and he did not approach her further. The student was very shaken up and upset.

The description she has given is - Age 30-40 years old, red fleece, grey snakeskin bandana and track suit bottoms. The incident has been reported to the police.
