Castles were built on the top of hills; can you find out why?

### **Science**

We are still learning about plants, we will be learning about fruits this half term. Could you try a different fruit each week? Draw it and label its parts. Do they have anything in common? Why not choose a fruit that you have never heard of before! Have you ever eaten Dragon fruit?

### **Magnificent Maths** (choose 1)

- 1) We have learnt how to measure length with our rulers. At home find objects around your house that are, 5cm, 10cm, 15cm, 20cm, 25cm and 30cm long or tall. Can you draw around them and label them in your learning log to prove it.
- 2) Spend some time checking that you are writing your numbers correctly; if you can do that learn to spell them up to twenty.

### **Wonderful Writing** (choose 1)

- 1) Together think of a sentence about what a knight's character would be like. Then write the sentence. Lastly correct the sentence. Look for our MUSTs... capital letter, spaces between words, writing on the line, letters formed correctly, and a full stop, question mark or exclamation mark to end the idea.
- 2) Use the handwriting example and practise writing your letters. Make sure that your letters are correctly formed, the correct size and sitting on the line.
