

### **Penny Sweets**

Complete each Penny Sweet activity at least once a week. Aim to read every evening for at least 10 minutes.

# Pick 'n' Mix Homework

### **Bigger Treats**

Choose 2 Bigger Treats to complete this Half Term. Make sure you choose Treats from different sections.

## **Penny Sweets**

### **Reading** You can read:

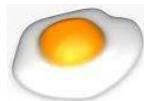

- Your Scheme Reader or Library Book
- Other Fiction books, short stories, poetry collections
- magazines, comics, newspapers
- Non-fiction books, information texts, recipe books

*Make sure that an adult signs your Reading Record every time you read so that you can move up the Reading Tree and earn House Points.*

### **Practise your times tables**

- Write, cover, check
- Forwards, backwards, mixed up
- Ask someone to test you
- Roll a dice and multiply the numbers

### **Learn spellings**

- Look, say, cover, write, check
- Ask someone to test you
- Is there a spelling rule that helps?
- Identify the tricky part & a way to remember it

*Don't forget spelling tests are every **Friday***

### **Maths Games**

- See the links on the school website
- <https://loatlandsprimary.net/information/curriculum/teaching-mathematics>

You have a Reading Record book, and a Spelling Practise book to jot homework into. Miss Buczynski will collect these books in regularly this term to check that you are completing your Penny Sweets homework.

## **Bigger Treats Term 5**

### **Wonderful Writing**

- 1) Interview someone you know who has done something exciting and unusual, for example climbed a mountain.
- 2) Write a diary, imagining that you have explored somewhere no one has ever been. You can either go back in time and write as a real explorer or write in the present day, imagining you are investigating unexplored territory.

### **Super Science**

- 1) Try growing a plant at home. Take photos, draw the different stages or keep a diary to explain the growing process.
- 2) Can cress be grown anywhere? Experiment with growing cress in different materials (i.e. cotton wool, tissue, fabric). Which material works best?

### **Magnificent Maths**

- 1) Create your own maths eyes picture (either a drawing or taking photos) and think of a variety of questions for it.
  - 2) Create a game that involves mental maths – make sure it challenges you! Focus on + - x  $\square$ .
- To really challenge yourself, include fractions, decimals and percentages.

### **Poster Perfect**

Design a poster for any of these topics:

- 1) Investigate what is in your kitchen cupboards or the local supermarket and record where all of the items have come from. Try to use a map to show this.
- 2) Design a poster encouraging people to go and explore either somewhere nearby (e.g. a park) or a specific place in a different country, (e.g. a city or rainforest).

### **Amazing Arts and Crafts**

- 1) What can you notice in nature? Either photograph or draw a selection of plants or animals that you can see at home or nearby. Focus on the details, for example the veins of a leaf.
- 2) Create art using materials you can find outside.

Your 3 Bigger Treats must be completed and in school by **Monday 21st May** ready for our Class Exhibition. You can complete Bigger Treats on larger pieces of paper or using ICT if this is easier. If you need help or are stuck in any way, tell Miss Buczynski in plenty of time!

***Remember:**  
Homework will be awarded House Points for: effort, presentation & creativity.*
