

### Penny Sweets

Complete each Penny Sweet activity at least once a week.

Aim to read every evening for at least 10 minutes.

# Pick 'n' Mix Homework Year 1

### Bigger Treats

Choose 2 Bigger Treats to complete this Half Term. Make sure you choose Treats from different sections.

## Penny Sweets

### Reading

You can read:

- Your School reading book or Library Book
- Other Fiction books, short stories, poetry collections
- magazines, comics, newspapers
- Non-fiction books, information texts, recipe books
- Books from the local library

**Adults please sign your child's Reading Record every time you read with them.**

### Number

- Count to at least 50, forwards and backwards from any number.
- Identify "1 more" and "1 less" than any given number to at least 20.
- counting in two's from any number to twenty.
- counting in 5s and 10s as well. Challenge: count on in 10s from any number under 20.

### Phonics

- Learn the non-decodable words in your reading log.
- Word build using the sounds
- Spell words using the sounds
- Play phonics games – [www.phonicsplay.co.uk](http://www.phonicsplay.co.uk).

### Maths Games

- [www.ictgames.com](http://www.ictgames.com).
- [www.iboard.co.uk/activities](http://www.iboard.co.uk/activities).

Your child will have a Reading Record book kept in their book bag. Please ensure your child brings these items to school every day.

## Bigger Treats

### Geography

Have a look at the labels on your food. Where in the world has it come from? Could you record it on a photocopy of a world map?

### Science

To follow up on our plants topic, we have sent home a bean plant. Could you continue to look after your bean plant? You might become such a great gardener by the end of the Summer that you can actually bring in a bean that you have grown from your own plant. We would love to see weekly photographs.

### Magnificent Maths (choose 1)

- 1) We are learning about weight now. Please look at the weights on your food packets. We learn with grams and kilograms. Can you order the packets from lightest to heaviest and then record this in your learning log.
- 2) We are also learning about Fractions soon. You could help at home by cutting objects and paper into halves and quarters. Can you create a picture of a building that just uses whole shapes, halves and quarters?

### Wonderful Writing (choose 1)

- 1) Together think about describing your favourite vegetable without saying its name! Now write those ideas down in a great descriptive sentence. Lastly correct the sentence. Look for our MUSTs... capital letter, spaces between words, writing on the line, letters formed correctly, and a full stop, question mark or exclamation mark to end the idea.
- 2) Use the handwriting example and practise writing your letters. Make sure that your letters are correctly formed, the correct size and sitting on the line. If you can do that copy your common exception words neatly.

### Amazing Arts and Crafts

We have been learning to paint carefully to show exact detail, we painted some daffodils sitting in a vase. Could you go in to your garden or local park and sketch some of the plants or objects that you see? Maybe then you could paint a picture of your garden or local park.

**Term 4** - Your 2 Bigger Treats must be completed and in school by **Monday 21<sup>st</sup> May**. You can complete Bigger Treats on larger pieces of paper or using ICT if this is easier. If you need help with research or are stuck in any way; speak to Mrs Johnson, Mrs Greenwood or Mrs Kaup. You can use photos as evidence of homework.

### Remember:

To have fun while completing your homework and that completed homework will be awarded House points.
