

Penny Sweets

Complete each 'Penny Sweet' activity at least once a week. Aim to read every evening for at least 10 minutes.

Bigger Treats

Choose 2 'Bigger Treats' to complete this Half Term. Make sure you choose Treats from different sections.

Penny Sweets

Reading You can read:

- Your Scheme Reader or Library Book
 - Other Fiction books, short stories, poetry collections, magazines, comics, newspapers
 - Non-fiction books, information texts, recipe books
- Make sure that an adult signs your Reading Record every time you read so that you can claim your House Points.*

3 reads = 1 house point,

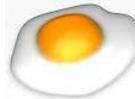

4 reads = 2 house points & entry to the Starbooks draw

5 reads or more = 3 house points

Practise your times tables

- Write, cover, check 2, 5, 10, 3, 4 and 8s
- Forwards, backwards and mixed up
- Roll a dice and multiply the numbers
- Learn the division facts for 2, 5, 10, 3, 4 and 8's
- Use your login for Times Table Rockstars

Learn spellings

- Look, say, cover, write, check
 - Ask someone to test you
 - Is there a spelling rule that helps?
 - Identify the tricky part & a way to remember it
- Don't forget spelling tests are every **Friday**.*

Learning Games

- Use your login for Purple Mash
- Use the App King of Maths on a smart phone or tablet
- Learn vocabulary using a maths dictionary.

You have a Reading Record book and a Spelling book to take home. **Learning Logs and Term 3 homework will be sent home by Friday 10th January.**

Bigger Treats

Wonderful Writing (choose 1)

1) Write about life in Ancient Greece. Where would you live? Why? What would your job be? What would be happening? Use subordination (when, because, although, so, as, while) to start or extend your sentences.

Challenge – write a full page. You could illustrate as well.

2) Retell one of the myths we have learnt in class (Medusa, Athena, Theseus or the Minotaur) – write a story. **Challenge – use interesting sentence openers e.g. suddenly, unfortunately, luckily, eventually, finally.**

Magnificent Maths (choose 1)

1) Show different ways to make 56, then 420 using the four operations: addition, subtraction, multiplication & division. **Challenge – find ways using more than two numbers**

2) Time yourself completing your times tables in writing, start with the 10's then 2's, 5's, 3's, 4's and 8's. Keep practicing verbally and using Times Table Rockstars and then see if you can improve your time.

Challenge – recall the multiplication facts as well, time yourself and see if you can beat your time.

Science – Light and dark (choose 1)

1) Create a poster explaining how to stay safe in the sun. Make it bright and colourful to catch the reader's attention.

2) Make a table of items around your house that produce light (e.g. light bulb, television). How many sources of light can you find?

Poster Perfect (choose 1)

Design a poster for any of these topics:

- 1) Make a poster about the history of the Olympic games.
- 2) Make a poster explaining how a shadow is formed.

Amazing Arts and Crafts (choose 1)

1) Paint or draw a picture of a sunrise or sunset.

2) Create a Greek vase – draw, sketch, paint, use collage or mosaic (use images of Greek life or athletes at the Ancient Olympics).

Your 2 'Bigger Treats' must be completed and in school by Monday 10th February 2020 ready for our Class Exhibition. You can complete Bigger Treats on larger pieces of paper or using ICT if this is easier. If you need help with research or if you are stuck in any way, tell your teacher in plenty of time!

Remember:

Homework will be awarded House Points for: effort, presentation & creativity.
