### **Free Online books**

Children across the country will be able to access books online for free during school closures. Oak National Academy, a government-backed virtual school, is launching a virtual library so pupils can read books from popular children's authors digitally during the latest lockdown.

The library, formed with The National Literacy Trust, has been launched after measures were taken to close schools in England to the majority of pupils until February half-term. Children will be provided with a free-to-access book every week from the library's author of the week.

### **P E at Home: Week 2**

During this lockdown, each week Jack from Finding Fitness Ltd will be releasing a video with five sporting challenges which children, and indeed parents, can do in the house or garden. We hope you enjoy the challenges. Feel free to leave feedback and to make up your own variations of the challenges.

### **Key stage 1 Fruit Snack**

The School fruit and Veg scheme has advised us that they will restart providing fruit for children in Reception, Year 1 and Year 2. Therefore no snack will need to be provided for these year groups.

### **Nursery News**

The nursery children have explored Transient Art this week and made some fabulous self-portraits. Look how creative the children are!

Have a great weekend
