Year 6 Tolkien – Isabella

Year 3 request

Year 3 children are going to be making Viking longboats after the half term break and would love any donations of cereal boxes, plastic milk bottles, yogurt pots, the middles of kitchen rolls and any unwanted chopsticks. Thank you

RSE Parent information

On Monday 7th June at 7pm we will be holding an optional, virtual parent / carer only session via Microsoft Teams for those parents that would like to know more about the RSE Curriculum. Please click on the link on the letter emailed out to attend. **This is strictly for parents and carers only and is not suitable for pupils.** If, after reading all of the information and attending the information session, you still wish to withdraw your child from the non-statutory elements of the RSE teaching, please notify the school in writing.

Changes to Year 5 PE sessions

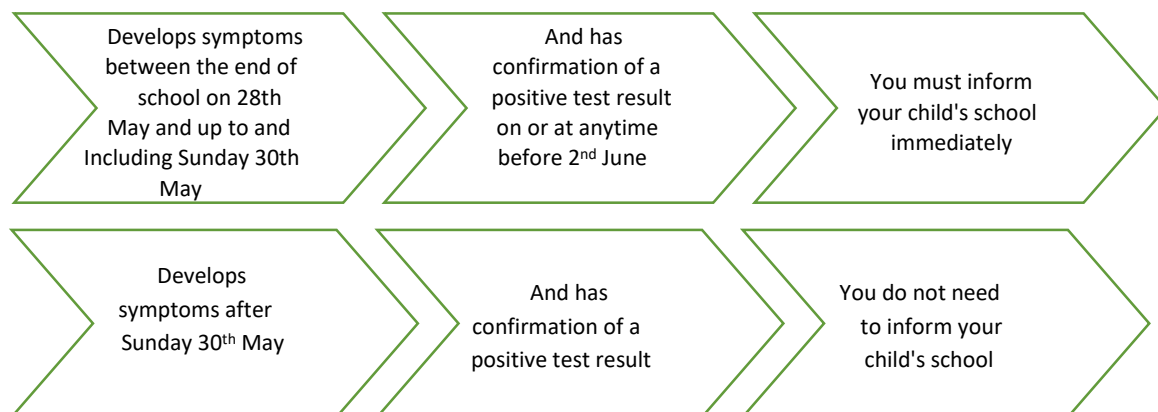

Please be advised there are changes to Year 5 PE days starting on Monday 7th June
PE days will now be Mondays and Thursdays

Year 6 swimming

Please can all children come to school pool ready with swimwear on underneath their PE kit, instead of in their swimming bag as previously advised.

Reporting System

Although school will be closed for the holidays it is still important that you notify us of any positive COVID cases in your child/ren so we can still support the contract tracing process required by NHS test and trace. Please notify us using the following email address parents@loatlandsprimary.net

In the event of a class bubble needing to isolate following the closure of school for the half term break parents will be notified by text message detailing the length of any isolation period.

Normal reporting of absence will resume via telephoning the school when we re-open on Monday 7th June.

Holidays during term time

Parents are encouraged not to take their children out of school during term time. However, if you do decide to take your child out of school please can you complete an absence request form at least 2 weeks before this is due to take place. These are available from the school office or can be downloaded from our website.

Medical Appointments during School time

If your child needs to attend a medical appointment during the school day, please let the school office know and provide a copy of the letter/appointment card prior to the appointment so this can be properly recorded as a medical appointment on your child's records.

Reporting Absence/Illness

Please can we ask all absence/illness is reported to the school office via the absence line or studybug app to ensure the office staff are aware and able to mark the correct information on the registers.

Dogs

Please can we remind parents that dogs are not allowed on the school site with the exception of Guide dogs.
Thank you

Nursery News

The children made some wonderful arrangements with natural materials this week. We love transient art in nursery as it promotes both creativity and mathematical thinking, amongst many other areas of learning. We know the children enjoyed it too as they were engaged for long periods of time.

Have a wonderful half term

The Nursery Team

Let us know your views about homework

We are currently in the process of reviewing how we provide homework for all children across the school and would be really interested to hear your views!

We would be hugely grateful if you could take a few moments to complete the short survey by clicking the link below

We cannot guarantee that all suggestions and ideas will be implemented but all views will be considered.

Please complete the survey separately for each child you have at the school.
