All jars will be raffled off at the Christmas Bazaar on Thursday 8th December

Our Christmas post boxes are now in school. If children would like to send Christmas cards to some of their friends at school, please ensure the child's full name and class is written on the envelope. Post boxes will be in Reception/Year 1 area, Year 2/3 area and Y4/5/6 corridor.

Christmas Bazaar – Thursday 8th December

We are holding our Christmas Bazaar on Thursday 8th December from 2pm until 5pm in the hall.

Parents/Carers are invited to join us and will be able to collect children from 2pm from the normal collection point to go into the hall. Please advise the school office by **Wednesday 7th December** if you wish to do this.

Only children that we have received confirmation of being collected early will be brought out at 2pm.

Children who are not collected early will remain in their classrooms with a member of staff doing Christmas activities until they are collected. Parents who are unable to come before 3.15pm are able to collect children in the normal way and are welcome to join the Bazaar at that time.

Children in Years 5 and 6 who would normally walk home on their own will not be released until 3.15pm unless parental permission to attend the Christmas Bazaar on their own is provided to the school office by **Wednesday 7th December**.

Santa Tickets – selling fast!

Your child will be able to visit Father Christmas and receive a small gift for £3 at our Christmas Bazaar. Payment can be made via your child's SchoolMoney account as a shop item (tickets are in time slots) by **9am on Tuesday 6th December**.

For younger siblings that do not attend the school or nursery, tickets can be purchased as a shop item on a school/nursery child's SchoolMoney account.

Safeguarding Spotlight

Flare Report App

A new, free smartphone app – Flare Report – has been launched to help women and girls feel and be safer on the streets of Northamptonshire. For more details see attached flyer or visit -[Flare Report app | Northamptonshire Police \(northants.police.uk\)](https://www.northants.police.uk)

Most women do not report incidents of street harassment - like cat-calling or inappropriate behaviour to the police. Flare Report allows women to report, anonymously and quickly, any incidents or behaviour that make them feel unsafe when they are out and about. It's not for emergencies. Flare Report is a way to tell us about street harassment and similar incidents. Police will collate and analyse the reports made, so that problem areas can be identified and action taken.

This is new for Northamptonshire and it is hoped that reports made on Flare will help to build a clearer picture of where incidents are happening and give women the confidence to report things that might otherwise go unreported.

Flare is not for reporting crimes in progress, but Police will check reports every day to make sure that nothing that needs an urgent response has been submitted.

Reportable experiences may include:

- Staring
- Cat calling/wolf-whistling
- Inappropriate gestures
- Inappropriate comments/comments on physical appearance
- Invading personal space
- Verbal abuse
- Drink spiking
- Being followed/spied on
- Being bought/sent unwanted gifts
- Online harassment/stalking
- Threatening violence or sending threatening objects
- Unwanted repeated social contact
- Other stalking behaviour
- Sexual comments made in public
- Inappropriate touching without consent
- Being sent inappropriate images
- Indecent exposure
- Up skirting
- Serious sexual assault/rape

The information submitted on the app will enable Police to identify places or venues where inappropriate behaviour is making women feel unsafe. That information will be used by Police and other partners such as the local authorities to take action to reduce the risk to women and tackle perpetrators and problems.

The data from the Flare app will hopefully show the Police what, where, and when inappropriate behaviours are occurring. It will help draw attention to venues or areas within the county that are problematic, or patterns of behaviour in particular places. We can then concentrate our operational resources and activities to help keep people safe.

Feel unsafe? Report it

Street harassment is not OK

Flare Report is an anonymous reporting app that lets women tell us about experiences that have made them feel unsafe.

We can build up a picture of where inappropriate behaviour is happening, and take action.
