

MRS DAVIDSON'S CORNER

WHO AM I?

I am the Family Support Worker and part of the Safeguarding Team here at Loatlands. My role is to support children and families in school and beyond to help bridge the gap between home and school life. I can signpost you to various support services, from foodbanks, parenting support, financial and housing and lots more.. Please drop into the office for a chat or call and book an appointment with me.

SPOTLIGHT

Support for Families

In addition to our school food bank and uniform bank, i am delighted to share with you an exciting new partnership we have formed with McCarthy-Dixon foundation in Northampton. They offer lots of different support for our families, including breakfast boxes delkivered to school, individual food parcels for famlies including festive treats (sometimes Christmas Turkeys if they are available), school shoes and emergency essential vouchers towards white goods etc. This is an amazing support for families in our school and can be a very discreet service too. Please contact me and i can arrange this for you.

Mrs Davidson

Please help yourself to our foodbank if you need to, it is regularly stocked up with food and toiletries!
