

Welcome to another term in Year 6! We have got so much to look forward to this term! We have a wonderful team to help and support the children on their learning journey.

They are:

Miss Toye (Horowitz class teacher)
Miss Blacksmith (Tolkien class teacher)
Mrs Bishop (Teaching assistant)
Mrs Limmagine (Teaching assistant)
Mrs Burbidge (Teaching assistant)
Mrs Tropman (Teaching assistant)

This term we have many exciting learning opportunities for the children to take part in and flourish. There shall be a creative writing club every Thursday lunchtime, ran by Miss Toye, for children in Year 6 who want to challenge their writing and create exciting reads!

As they prepare for SATs, secondary school and beyond, children in Year 6 begin to become more responsible for their learning. They will be taught the tools they need to be independent learners who want to challenge themselves and support others.

Reading

In year 6, we will encourage the children to always have a book on the go. They will begin to find the genres that really interest them and will be able to make recommendations to other children.

We will be focusing on reading comprehension skills this term and exploring a wide range of fiction and non-fiction texts.

Curriculum

This term we shall be continuing our topic of 'Survival' and will learn about the features and locations of the worlds most extreme environments and how people survive there.

In science, we shall be learning about 'Healthy Bodies'. We will be looking at how our bodies work and why we need to look after them.

Spellings & Homework

Every Friday, your child will bring home new spellings to learn.

Homework revision is starting on the 6th March, the children shall have two pages to be completed a night. A reminder of the needed pages shall be sent via MME every afternoon.

Please also ensure that your child reads daily and goes on TTRS at least twice a week.

PE shall be on Thursday for Horowitz and Monday for Tolkien.
